YEAR LIMITED WARRANTY

Equipped with Gama Sonic's cutting-edge Solar Morph Technology, the Cottage Solar Barn Light seamlessly integrates the solar panel into the fixture, maximizing sunlight absorption for superior charging efficiency and eliminating the need for a separate panel. Ideal for wall-mounted use, it adds stylish illumination to homes, sheds, barns, greenhouses, storage units, and garages.

Patent #9458970

- Powered by efficient monocrystalline solar panels
- Automatic dusk-to-dawn operation
- Warm-white color temperature
- Cast aluminum engineered for tough weather conditions
- Maintenance free
