

AMPHORA SOLAR BULB LIGHT

With its sleek, modern design and efficient solar power, the Amphora Solar Bulb Light is the perfect way to light up your pathways, yard, patio, and decks while reducing your carbon footprint. With the included pier base, you can easily install this solar post light on top of any column.

- Automatic dusk to dawn operation
- Rigid resin weather resistant structure
- Pier and 3" Fitter Mounting options
- Gama Sonic Cone Technology is patented technology (#7172307) which allows our solar lamps to disburse more light efficiently
- Gama Sonic LED Light Bulb is patented technology (#9458970) that replicates the conventional look and feel of the traditional bulb in outdoor solar powered lamps
- 1.7W tempered glass solar panel
