NOVAEDGE SOLAR LAMP SERIES

Bring modern elegance to your outdoor spaces with the Gama Sonic NovaEdge Collection. This sleek, solar fixture features a contemporary open-frame design and a vintage-style tubular Edison LED bulb. The collection includes two fixtures: one designed to mount on any standard 3-inch pole, and the other as a freestanding light perfect for patios, decks, columns, and outdoor tables.

- Powered by efficient monocrystalline solar panels
- Automatic dusk-to-dawn operation
- Internal Low/Off/High switch
- Cast aluminum structure engineered for tough weather conditions
- Maintenance free
