WARRANTY

The Imperial Bulb ATS Solar Light is a commercial grade solar lamp featuring our revolutionary ATS technology. Its 10W solar panel synchronizes with the sun's position throughout the day, allowing the warm white (2700K) GS Solar LED Bulb to shine at 450 lumens for up to 6 nights. Continuing the Imperial Family's reputation for durability, functionality and style, its weather resistant construction is perfect for commercial and residential areas such as pedestrian walkways, parking lots, and community parks.

- Powered by efficient tempered glass monocrystalline solar panel
- Automatic dusk to dawn operation
- The Imperial solar light duration will last 72 hours in the LOW setting and 36 hours in the HIGH setting once all batteries have been fully charged in the direct sun
- Powder coated cast-aluminum weather resistant structure
- Maintenance free
- Li-Ion Rechargeable Batteries Included (3.7V/20.8Ah)
- Beveled glass panes
- Black Finish

Patent #7172307
